RE: Miguel Baltazar

To Whom It May Concern:

I am delighted to write this recommendation letter for Professor Miguel Baltazar, who is working at your institution. Professor Baltazar was at the University of Puerto Rico in Carolina after years of experience in the hospitality industry and in the educational field. For the last year, under my supervision, he has worked as part time instructor at our School of Hotel and Restaurant Administration of the University of Puerto Rico.

During this year I perceived that Miguel is a very people-oriented person with a high value on human interaction. Committed with the hospitality education and with the development of the industry and the academia. Him performance as a professor were key factor for several courses and for the development of our students. Evidence of this are the highly peer and students evaluations obtained during the last year.

I highly recommend Prof. Miguel Baltazar without reserves. Him commitment with the education and the excellent rapport with the students will allow him to become a great asset to your institution. If you have any question regarding his capabilities, please do contact me at Miguel.perez8@upr.edu or 787-752-4575.

Sincerely

Prof. Miguel E. Perez
